PASSING THE TIME

I don't always look forward to going back home, but if it wasn't for that trip a few months ago, then I wouldn't have met her. It started out with the almost familiar announcement that the flight was delayed. In the moment, I was more annoyed about having to wait at the airport than I was about the flight since it meant that much longer before I got home. So, instead of joining the almost immediate long line in front of the counter at the gate, I went the other direction, figuring this was as good a time as any for a drink.

I passed the first few bars, wanting to get away from the flight and reality for a little longer, and ended up in a crowded sports bar in the central part of the terminal. I took a seat along the bar and tried to hide myself in the drinks, figuring I'd get an app message when the flight was ready. The crowds of passengers came and went quickly, which was fine with me.

I'd just finished my second drink when I got the alert that the delay would be even longer. I was still

Jodi's back...

Jodi, Jodi, Jodi! Now that's one unbelievable woman. What a fucking body and sexuality to match. I can't get her out of my mind. I have to take the magazine into bed with me every night now. I jerk off to her pictures, especially the ones where she's deep-dildoing her sweet pussy. I would not only do that to her, but I'd slip my cock into her ass, too. Then she could blow my rod until I came all over her great boobies. I also dug the layout of Koko. What a hot fuck she was in those photos. I have to admit that she took that big cock in her all the way into her pussy like the highly sexed person she probably is. I wish the guy with her would have stuck his finger in her butt hole while he's fucking her. I would do that, then stick my hard cock deep into her butt.

— Jarrod, Tucson, AZ

rolling my eyes when this bombshell, gorgeous blonde sat down next to me. Tall, with a proper posture and her legs neatly crossed, she adjusted a light blouse that looked comfortable enough for the flight but still clung to her flesh enough that I could see her nipples poking out. Her makeup was carefully applied, highlighting her beauty and catching me off guard based on what I usually see at the airport.

After a minute, I took a chance to start a conversation. She was stuck by the same storm that had grounded me, and it looked like things were only getting worse (at least outside). And as we continued talking, we discovered that we were both good at distracting one another. As we got through another drink and got to the point where it felt like we were running out of things to talk about when she said she had to go to the bathroom. I was polite, but I figured the good time was over when she took my hand and yanked me through the airport to the nearest family bathroom.

She quickly stepped inside, taking me with her

and locking the door. She looked flustered, like this was some sort of whim that she didn't really understand, and now that she got me inside, the questions were just compounding. I saw the signs and realized that I might only have one chance, so I leaned in to kiss her, and in that moment, she changed.

Excitement rushed through her, and she started taking some of the control. She undid my shirt and started letting her fingernails range through the fur on my chest, pushing me back against the wall as she continued to make out with me. At the same time, my hands moved toward her plump, firm ass. As I squeezed it, she pulled back far enough to lower her pants and panties and reveal her smooth, beautiful flesh.

I stood there admiring her for a moment before taking the initiative and pressing her back against the wall. With one hand, I grabbed her hands and held them high above her head while my other hand moved to tease her exposed pussy with a light fingertip tickle. At first, it almost felt like it was trying to squirm away from the touch, but she was using her body to guide me to her spots, and she let my fingertips play around the lips and even inside briefly, leading to a rough gasp that I only wanted to enhance with my throbbing cock. I freed it from my

pants and waved it around several times to tease and tantalize her.

When I slid myself in, I took my time, watching every surge of pleasure race through both of our bodies. I drew it out by going in halfway before pulling out, teasing a little deeper and harder with each thrust. It wasn't long before I had her pressed against the wall and was pounding her while stealing quick but fiery kisses while my dick seemed to move on autopilot, ripping her up. I tried to use the kisses to keep us from screaming, but there was more than once that each of us let out a loud moan that only drove us both.

It wasn't long before I watched her eyes go wide

with a fresh wave of pleasure that became my cue to let loose thread after juicy thread of thick, heavy jizz deep inside her. We gave each other a minute or so, making out a little bit and enjoying the last moments before we left the bathroom and headed in different directions, back to our own flights and lives, the memories of the storm between us far more important than the one that grounded my flight. It'll be a memory I'll cherish for quite a while.

— Thomas, St. Paul, MN

TAKE A BREAK

My name is Carole and I'm married to a great guy named Chris. Ever since he told me that he fanta-

sies about me and my mouth at the office, I've done my best to make his fantasies cum true when he gets home. I am a bit of a wild one and I love to suck cock, so he's a lucky guy and I keep telling him that. My absolute favorite position for fellatio is with him standing and me kneeling down.

After I start sucking, he'll lift a leg and put it on the arm of a chair or the bed and so that he is opened up that area. Now I have access to all his good parts that will soon get my attention. I continue by licking his thighs and make him anticipate what's going to happen. I slowly spread his legs and start licking his balls and roll them all around in my mouth and probe them with my tongue while they are both in my mouth.

For you gals, I had to practice this since putting two hairy balls in your mouth can be a bit of a turn off. So, he shaves them clean or I do it for him. That's also a big turn on for the both of us.

Chris has been reading over my shoulder and it seems he's getting excited again because he's now pulled out his dick and wants me to play with it. "I can't right now, I'm typing. Don't you want me to finish this?" I ask as he rubs my shoulders. Hold on dear reader,

I need to take a break for a few...

Okay, so where were

we? I stroke his penis as I still have his balls in my mouth. Nothing too hard or fast because I don't want him to cum just yet. There's a whole lot more to go. After warming them up, I back off and suck his cock head for a minute and then I'll suck one of his balls back into my mouth and swirl my tongue around it and then I'll set my attentions on the other one.

He says it's like having soft, warm fingers playing with them. I am sure to lick all around his balls, the base of his cock and that sensitive area behind them. With his leg up, it's easy to reach and he loves it. By now, he's really excited and his cock is rock hard and he's begging me to take him fully into my mouth. I start going upward, licking his shaft as if it were a popsicle.

At the head, I circle it a few times with my lips and wiggle my tongue into it's little slit all the while making eye contact. Then I take him into my mouth as far as I can. With all the practice I get, I can deep throat him easily and not gag. Earlier on, I would gag but learned to relax my throat muscles and not I can take it all the way down to the base.

While he's not huge, about seven inches, he is thick. He likes it when I squeeze the base of his cock and it seems to make him even harder. It turns him on even more when I moan, make slurping sounds, and make eye contact as I do this. With my

free hand I'll fondle his balls at the same time, or play with his asshole. This is something he eventually let me do when he realized how good it felt.

During the sucking, I make swirling motions on the underside of his shaft. He likes it when I do all different types of swirls and pinches and nips to every part of his cock and balls. We play this little game if he can figure out the letter or number I'm making with my tongue or fingers on his cock. He's right less than half the time and makes me repeat some over and over again (I think he likes the way those letters feel). Sometimes, I'll hum as I have him in my mouth and sometimes I'll talk dirty and tell him what I'm going to do to him.

Now for the good part, as if all that wasn't good enough. I put his foot down so both are on the ground. If I can tolerate kneeling some more, I'll stay there, if not I'll sit on the edge of something. Either way I take his butt cheeks in each hand and pull him to me. His cock in my mouth, I can take it all and deep. But the best of all is I have better access to his anus. As I'm sucking him, I'll sneak a finger or two into my mouth to lube it up and then back to his butt. I play around the outside of his asshole.

When I feel that it's loosened up, I'll push a finger in and gently twirl it around and in and out. I'm still working his cock with my mouth and other hand and slip it down to his balls

now and then. Now is the time I fall back on the bed, pulling him down with me, cock still in my mouth and he begins to fuck my mouth much harder.

Now it's his turn to do the work. I hold my one hand around his cock to keep him from smashing my nose and lips, and work his asshole more and more. We've gotten to the point where he can take two fingers in it and he loves it.

He'll start moaning harder and louder and I can tell he's about to cum. We have an understanding that he'll tell me just before he cums where he wants to do it. Sometimes it will be on my chest, my neck, my face, and sometimes he wants me to swallow it.

Sometimes I'll slurp it up, or I'll squeeze it back out of my mouth so it drips down my chin and, his favorite, I'll hold his hips hard into me with his cock as far down my throat as it will go and it squirts straight down my throat. Yummmmmmy. Then, I'll hold his cock in my mouth and lick it all clean as he watches me get every last drop. Sex is a very visual act for us.

Bettany's body works wonders on a hard cock. From the moment it's in her mouth she's caressing it with her tongue, sliding the shaft in and out of her welcoming hole. She'll suck on it until it's just hard and slippery enough to ease

Bettany

into her pussy. She's not one to just stay there and take it either. When she fucks, she rides and throws it back like you wouldn't believe, tossing her ass into you till she's covered in hot slimy jizz.

ENJOY ALL THE ACTION!

Erica's numbers have been through the roof lately. With such good performance, surely she deserves a reward.

If her boss won't give her one, then she'll have to take matters into her own hands. Getting the devious idea while on the phone

Erica

with a customer, she slides her panties to the side and starts to tickle her clit. After hanging up, the room seems to get even hotter. With her bodice undone and toy in hand, she quickly forgets that she's still at work.

BLAIR-NTS-09

*Why don't hedonists ever bother to change a light bulb?
Because they're having too much fun in the dark.*

Hedonism is a Fantastic Lifestyle

THE HOOK-UPS CAME PRETTY EASILY THAT SATURDAY.

Last month I received an invitation to my friend Kenny's Saturday night pool party. It was supposed to be quite a blast with lotsa new people and hot babes. Yeah, as if that ever happens in real life. So I told him I'd come, anyway.

As the weekend came around, I jumped into my SUV and drove the forty miles across the valley to his house. Jordan and Tracy were his neighbors and have lived next to him for about six years. We hung out once in a while and they've been over to my place for drinks a few times, also. They were pretty cool and I knew Tracy had some hot girlfriends, so my hopes were high for a hook up or two (at once).

It was a pretty hot Saturday and as I turned the corner onto his street, it was full of cars. I park in the only open spot down the street. The front door is unlocked so I open it and walk in. I find a room where bags of the other guests have been left. I freshen up and within a half hour I'm out the door with a bottle of wine in hand. I hear laughter and noise and head around the side of the house to the back yard to see the party's already started. I open the back gate and see Tracy running across the pool being chased by Jordan. I walk in and set my bottle by the bar. I see a couple forty-something girls at the pool playing with one another in the water their nipples getting harder with each cold splash of water that hits their bodies.

I can't tear my eyes from the two women frolicking in the water. Jordan slows down enough to greet me. "Glad you could drop by. Grab a beer and join the fun," he says. I smile and look around the pool

area and see about a dozen or so people, all relatively attractive and a nice mix of all ages and colors. A good sign, I thought, so I walk over to where the ladies were playing.

I look back towards Tracy who's settled down in a pool chair with a girlfriend. Jordan said her name is Donna. He motions me over to say hello to Tracy and Donna. I saunter over and say hello. Tracy stands and greets me with a big hug and introduces me to Donna. Jordan sees their glasses have emptied and asks if they'd like them refilled. They answer 'yes' in unison. Jordan splits for the bar and I'm left

with the two ladies in their skimpy string bikinis.

Tracy tells Donna to join her taking a dive off the board. They go over, Tracy bounces and jumps in followed by Donna. They surface and swim to the other end of the pool, which is where we were originally standing. They climb out of the pool and their bikini tops slip down their chests due to the weight of the water. I can't help looking at their boobs. Tracy's are medium sized and pert, while Donna's are bigger with large nipples. Both are great looking ladies with great bodies. Tracy is 52 but looks 32, and Donna looks like she's a few years younger, but looks just as marvelously built as her friend.

They make no effort to cover up, so they gather their tops and throw them on their chairs. Jordan shows up with drinks in hand, sees they're topless and promptly shoves the cold glasses onto their nipples. They jump back, but he has accomplished his purpose. Their nipples get hard immediately. The two ladies playfully tweak each others nipples and

No sooner had Erin's guest closed the kitchen door behind him than she leaned over a section of counter beside the stove. She was offering herself up on the proverbial platter...

playful antics ensue. Donna pulls the string on Tracy's bottoms and Tracy grabs Donna's string and pulls it. So now both their bottoms are hanging off one side and they're playing right in front of us guys. Jordan and I egg them on to kiss and feel each other up, which they promptly do. I decide to lower the backs of their pool chairs and position them a little closer together.

Jordan eases the ladies onto the chairs and Donna wastes no time diving into Tracy's pussy, teasing her clit with her tongue as she jams four fingers into Tracy's tight pussy. Tracy squirms and wiggles all over the chairs, not holding back her squeals of hedonistic pleasure as Donna works her muff diving expertise on Tracy. Tracy flips her legs over her head and Donna takes the cue, slipping her fingers deep inside the beautifully exposed pussy. It doesn't take long before Donna's finger fucking action causes Tracy squirm and scream out loud as she cums.

Once she recovers, Tracy kisses Donna passionately, an obvious thank you for a great orgasm. Tracy returns the favor wholeheartedly, diving in between Donna's legs. Tracy takes on a different approach to pussy licking using the old-time flicker and tease technique, which drives Donna wild. Alternating darting her tongue in and out of Donna's moist pussy and quick flicks on her clit, Tracy slips a couple fingers into Donna's love box causing her to go over the deep end.

It is only a matter of a few minutes before Donna is moaning and grinding her hips into Tracy's face

with the power of her orgasm. Tracy smiles wickedly after climax. Looking up at the happy crowd surrounding them, she says "I think that was the fastest I have ever been able to get a girl to cum."

"Okay everyone, show's over. There's more food and drink in the kitchen." Jordan yells above the applause. The crowd disperses. I walk into the house and go from room to room and mumble hello to different people who have gathered inside. I settle in a small, cozy room with Kenny, and begin to ask him if he saw what went on outside. He said he was inside the whole time but had heard that Jordan and Tracy were quite liberal.

I laughed and agreed. Tracy now enters the room wrapped only in a beach towel. She makes small talk with us in the room about how she and Jordan have fucked in every room but this one. Jordan now enters and they both sit on the sofa. They then turn to each other. Jordan asks Tracy if she is ready to christen this room and she nods with a grin. Tracy drops her towel and slowly drops to her knees, unzips Jordan's pants, pulls out his cock and begins to give his cock a little oral attention.

Tracy gobbles up Jordan's cock, it is obvious that she is genuinely enjoying the taste of it. Not bothered by the audience that's surrounded them, she continues sucking him as he gets up to strip off his pants. With Jordan's prick now ready for action, he picks up Tracy and places her on the sofa so he can return the oral loving. The sounds of sex echo throughout pool area as well as the house as the couple's sucking becomes increasingly vocal. More people are now standing in the doorway watching the action, but I have a ringside seat.

Jordan and Tracy are now sixty-nining with him on top and he's jamming his rod into her mouth. She grabs his balls and lightly twists the sac making him groan even louder. He shoves a few fingers into her pussy as he sucking and pulling on her clit with his mouth. The room gets hot and damp and some people are loosening their clothes. Soon half of them are stark naked and fondling one another.

I sit quietly and watch keeping my hard on to myself. The show ends when he splooges into her mouth and she swallows it all. She cums and they both get up and go to the bathroom. I go home and take care of my business, waiting for the next invite.

With nothing to do on her day off, Margo decides she wants nothing more than a good orgasm. Slipping out of her brunch outfit, she sets herself on the table and goes right to work on her tight holes. She takes time to pay apt attention to her perky nipples atop her round titties before touching the soft lips framing her beautiful pussy.

Margo

Tickling her clit to make herself as wet as she can, she slides her fingers inside her pussy becoming flush with pleasure. It doesn't take long after that until she's cumming all over the table.
